## What is Sustainable-

### Sustainability means:

“meeting the needs of the present without compromising the ability of future generations to meet their own needs.”

## Be Sustainable!

- **Recycle:** utilize the brown recycling bin your room and the stations in each residence hall/academic building
- **Turn off lights** when you leave your room or lounge
- **Unplug** electronics when not in use
- **Use CFL** light bulbs instead of incandescent to save energy
- **Reduce** shower time to save water
- **Eat less meat** and more vegetables
- **Walk, bike, or carpool** to places
